

Edgewater Kindergarten
Association for the Welfare of Children in Hospital [AWCH] Visit To School

Dear Parents/Carers,

The children have enjoyed the role-play opportunities provided in our Kindy bank, shop, fire fighting area and hospital this term.

To enhance the hospital theme, the *Association for the Welfare of Children in Hospital* [AWCH] have been booked for an incursion.

The aims of the visit are:

- To help clarify any misconceptions children may have about hospitalisation;
- To minimise fear and anxiety about admission to hospital;
- To assist children to feel more at ease with medical equipment and the day to day routine of a hospital.

The visit will cost \$7 and will take place at the Kindy on Thursday 28 June and Friday 29 June. Please fill out the permission slip below and return it to Kindy with the correct money as soon as possible.
