

Edgewater's Got Talent

On Thursday 31 May the annual Edgewater's Got Talent Show will be held. This is a great chance for students to express their talents.

To make it fair, there will be two age groups to compete in. The first one is for Years 1-3 and the other one is for Years 4-6.

Auditions will be held at lunchtimes throughout Week 3 for Years 1-3 students and Week 4 for Years 4-6. The Executive Student Councillors will select six acts from each age group. Unfortunately not all acts can be selected, but do not be discouraged and try again next year.

Music must be provided at auditions, whether it is on a USB, CD or electronic device, with appropriate labelling.

We wish all people auditioning good luck and we look forward to watching everyone's acts.
